

Compressor Plenum Inspection Panel

FAA STC # SR02458LA

Applicable Aircraft: MD Helicopters 369HE/HS/HM/D/E/FF

2016 Pricing: *See Precision Heli-Support, LLC price list*

Installation: 24 hrs.

Part Number: PHP369-153

System Description: A modification to the aircrafts plenum box that allows easy visible inspection of the compressor turbine for engine inspection. The panel eliminates the reason to remove the intake fairings to perform the same engine inspection.

Doublers installed in aircraft
with the cover panel removed
